BEAR CREEK HIGH SCHOOL - Missional Programs

by Pastor Jim Coleman

As we have organized ourselves to be missional in our community we have targeted Bear Creek High School as the logical place to engage ourselves in the world. We do not see ourselves as a social agency but as salt and light in our world. Christ cares about people's lives and as his followers, we do as well. Our ultimate desire is to see individual lives transformed by the grace of God, but to achieve that purpose we have to engage the temporal world just as Christ did.

In the past few months we have developed several areas of focus in the high school community and are encouraging Bear Creek-ers to get in the game. These impact areas have been developed in our conversations with the high school leadership. These are the needs they have invited us to impact. It has been important for us to press forward quickly since there will be a turnover in administration the summer and we want to be well rooted at the school as that occurs. VBS

Please join us **July 11-15 (6:30 to 9:00 PM)** for Power Lab Vacation Bible School! Each evening kids will take part in worship, crafts, games, Bible lessons, and science experiments! This event is for kids Pre-K through 8th grade. Cost is \$3 per child (\$10 for families with four or more children) for the week. On Friday parents are invited to join in on the fun and see what their kids have been up to all week.

Adults and youth please mark your calendars to come help teach. We will be needing volunteers to help teach Bible lessons, lead recreation, serve snacks, and more. Keep an eye out for sign up sheets, and announcements about the various ways you can help make this VBS a success!

Questions? Please contact Stepho Fogle (stephfogle7@gmail.com or 816.550.3017) or Sheri Pritchett (303.989.4447).

Sundays @ Bear Creek -- Join Us! Worship with us at 10:30 AM each Sunday.

Kids (K-5th grade) join their family for the Praise Time, then move downstairs where they learn about the events of Jesus' life. The men who became Jesus' disciples were so affected by his words and actions that they left their old lives behind to follow Jesus. Those who heard him speak changed the way they lived and worshiped. Two thousand years later, the events of Jesus' short life still have the power to show us the way to God. Plan to have your elementary-aged kids here every Sunday so they won't miss a single story!

"Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near." (Hebrews 10:24-25)
